Mr. Meyer,

On Monday, February 9, 2004, via telephone, I spoke with Mr. Steven Petrucelli of your office and requested an extension to comply with your request for information. I am requesting an additional three (3) weeks to comply with your RCRA § 3007 Information Request.

We are presently collecting the required documents to cover the specified period October 14, 2000 through the present. An extension of three (3) weeks will allow us to thoroughly finish collection of documents, review the content, and prepare and present our response in a manner consistent with the specified instructions and definitions.

I thank you, in advance, for any consideration given to this request.

Sincerely,

Ron Shindel
